HOPE TO SEE YOU THERE

Please have all 2-D, 3-D and Kidz Entries registered and displayed by 4:00 p.m. for judging.

Pins, please complete one ballot and deposit it in the box.

Ballots for People Choice will be collected following the performances. Please keep in mind this award is for all 3 divisions, historically, performers will. Perhaps because this is freshest in everyone's mind.

The Art Show soundtrack (not the performances) is available for sale, thanks to the General. CD's are available for \$15, proceeds benefit the Guild.

Remember: clean-up/set up are on Sat. June 10th and Fri. June 16th. Volunteers are always needed and appreciated, this year

IT'S A GIRL!!!

Amber Sophia Malone was born May 31, 2000.

Congratulations Scott, Karen & Keira on the new addition to your family.

WHITE CUP BABY SHOWER

We would like to officially welcome the new additions to our founding father's families.

There will be an opportunity to meet the little ones and congratulate the new parents the day of the Art Show at 3:00 p.m. A small token to be presented to the children would be a nice touch. If you have any questions or would like to help coordinate,

ART AUCTION

Bring your money!!! At the suggestion of Velveeta, we will be holding an Art Auction during the Art Show.

This will be conducted as a silent auction, where individuals write in their bid for the item they desire. Some of the works available will be:

- * An original painting by Velveeta (Best of Show and 2-D winner last year)
- * A photograph by Tarani
- * A bottle of Mead by Van
- * Stained Glass Shield made at the RU
- * A bodice by Silwear
- * plus other items donated by the other 9 offices of Revelwood.

Anyone else wishing to donate an item for auction, please contact a RAG Mistress.

CONSTRUCTION

SEPTEMBER 9 & 10

Construction will once again be taking place on September 9 & 10. As needed maintenance to the Barn, this year we will, finally, be replacing the existing roof and fascia on the front side. We need all the volunteers we can get to make quick work of things.

More people = less work and more fun.

You need not be a construction worker to help. People are always needed to pass material, hold something steady, paint or run errands.

STONEWALL

Will be appearing **June 4th** at Medford Day on Main Street. Come by, say hello, enjoy the show.

We will keep you posted as more information becomes available.

STONE SOUP

Invites you to come enjoy the music:

Fri June 16th - The Gazebo - Taunton Forge in Medford - 7-9 p.m.

Your attendance is always appreciated

New T-shirts are available in all sizes.

Hunter Green with white design - \$15.00

BREWER'S GUILD

Please come out and help. Come lend your skill or learn how. Remember, donations are always welcome, materials for each Keg cost \$60.00, so be generous when giving to the tip jar on the bar.

SCHLAGERFEST

3rd Annual fencing tournament, hosted by Nigel of Castle West, was a great success.

This year a dozen participants engaged in battle. Kudos to the winner-Tallis Botsam (David Waltman). This is his second win, he was also champion of the 1st Schlagerfest. It was report to be a bloody battle, but his fingers shall be reattached without incident.

Happily, Keira's pirate did survive, he was only slightly wounded in the foret.

Thank you to Markland Heathcliff, and Melita for holding this successful event and the donation of all the proceeds to the RAG fund.

CONGRATULATIONS ANNABELLA, VICAR & VICKY

and Good Luck. Connie Camp has become the acting Mom to a bouncing 15 year old Girl.

Yes, that's right, Vicar has gained full custody of Vicky, bringing Connie and the Vicar all the responsibility and joy of full time parenthood. We wish all of you all the best in your new family unit.

R U REVIEW

The Revelwood University this year was a modest affair, we enjoyed a day of laughter and learning.

First, the Vicar showed us various ways of starting a campfire- followed by his teaching of how to cook Cornish game hen under a can-all five of which were absolutely delicious. Many thanks Vicar.

Throughout the day, Van held a demonstration on making Mead, not quick mead, but real mead. As could be seen, it is a time consuming process, but the results are worth the effort. We can't wait to sample the final product. We're sure the blueberry mead will be a real treat. Thank you Van.

We also had a great demonstration of how to cut and solder stained glass. Russell, the elf, has many, many talents (including being the Easter Bunny!) Many thanks, also, to Russell. Can't wait to see what you'll show us next year.

All of this was followed by an intriguing class with Q on perception and belief. Since belief is one persons perception, mine is that, although small, the University was a wonderful day and next year, you shouldn't miss it! Keep in mind all the things that our Revelwooders have to teach.

If you have suggestions or would be interested in teaching a class, we always welcome suggestions. Next year, perhaps, Ariana will conduct a discussion of how to survive on Mars. Also, we would welcome classes of the Kidz guild.
