NIGHTWATCH

We would like to thank all those who helped keep the chaos to a minimum at the P-N-P. Heathcliff stepped down as the general of the Night Watch and named Don Eddie as his successor. Good luck.

Also special thanks to Mike the Mage for the donation of the headsets we used to keep our watchpersons in touch with base camp.

ART SHOW

SAT JULY 7TH

This year's theme will appropriately be "2001: A SPACE ODDITY"

As always, the theme is just a suggestion for inspiration, not a requirement for entry. Yet there is a

STONE SOUP ST PATRICK'S DAY

Sat March 10, Briody's Pub, 9p-1a

Sat March 17, AOH in Trenton 5p-12

We are currently in the process of booking more gigs. Call Tarani for directions and more current information.

COAT DRIVE RESULTS

The total of 40 + coats were donated to Phil Cares, to be distributed throughout Philadelphia, Chester, and Camden county.

I want to thank everyone who helped and I hope we can pull together this winter and help them again in some way.

OUR MAJIK

To anyone wishing to visit Majik around the end of Feb or beginning of March please contact either the General or Mims ASAP (by the end of January). Certain steps must be taken to go visit Majik. This is, after all, prison.

Majik seems to be surviving. He just started computer class, his mom said, and that has raised his spirits a little. Upon his release, Mims will be cooking him an eight course meal, If you would like to contribute to that (when the time comes) let Mimosa know!

If you would like to write Majik (he lives for correspondence from the outside) his address is:

ACTOR'S GUILD

We have picked a piece to perform at the Art Show. We've chosen to do a somewhat original play by Meer, based on a somewhat popular 70's movie. As of now, it's only Tarani and Meer to be performing. We will need more actors plus people to help with scenery, costumes and props. Anyone interested in helping our nonexistent budget, contact Tarani.

GUILDS NEEDED

So far, we have only two up and working guilds : the brewers guild and the actors guild. We need people interested in being individual guild leaders and members (writers, photo, sculpture..pick one). Contact the RAG for info or help.

JUNK-A-THON 2000

Early morning dew soaked every table and every item that was left exposed to the night air. Luckily we didn't have the traditional night-before-rain, everything was wet enough without it.

The day started early and seemed to drag on forever. Q treated everyone to breakfast sandwiches and the coffee flowed for hours (as long as it took for everyone to wake up).

We DID have a lot more help this year with setup and selling (THANK YOU!) but we still didn't reach our fund raising goal. The guild made \$40.05 (- \$26.25 for advertisement). We're thinking of either not having anymore JATs or rethinking our fund raising strategies on this subject.

Despite the hard work and the not-so-productive fund raising attempt, I personally, had a great time.

JOB CONTACT NEEDED

My brother in law, Frank Gemma, now residing in Florida, is looking to move his family back to Jersey and needs local help to find a job. Currently he is in banking/ finance-sales and is looking for something similar. If anyone has any ideas, call Tarani or e-mail Frank at

QUOTE

"On the street I saw a small girl cold and shivering in a thin dress, with little hope of a decent meal. I became angry and said to my god: "Why did you permit this? Why don't you do something about it?" For a while there was no answer, then suddenly I heard, 'I did do something, I sent you.' "

Anyone wanting to join in local volunteer work (food collection, construction, etc.) contact Tarani.

GUILD ELECTIONS

One of the Mistresses may be stepping down and a replacement must be found. Do you think you can contribute ideas and organization to the coordinated chaos that is Revelwood? Nominations will be accepted until the R.U. At that time the candidates will be announced for your consideration. Two RWers have already come forward. Meer and Alexandra. Do I hear three?

REVELWOOD UNIVERSITY IV AND SCHLARGERFEST SAT MAY 5TH

Our annual classes and fencing competition are back. We have a few classes in the plans but we need your input and help to get our schedule together. Give us a call if you have any suggestions or if you want to teach a class.

If you are interested in entering the fencing competition call Tarani.

Set up will be on Fri May 4th.

PIN VOLUNTEERS

Thanks to all who came out to create the pins for the P-N-P. To all those who burned and sanded and painted and glued and parted with us, thanks (and, same time next year?)

Q, Tarani, Silva, Mims, Tom, Alexandra, Van, Ruelle, Goodie, Mike the mage, Calidor, IB, Vicar, Vicky, Russell, Jen.

DANCE GUILD

Bridget has agreed to teach any interested kids in Revelwood a dance routine to be performed at the Art Show. We know of three girls who are in dance class and hope they come to join us. All other RWers (boy, girl, man, woman) are welcomed and encouraged to join in. Contact Tarani or Bridget ASAP so we can start rehearsing.

KIDZ GUILD

The time has come to expand the KIDZ GUILD. In the past, corralling a group of adult Revelwooders has proven a daunting task, so we have prepared a pack of border collies to herd the children and lead them towards artistic endeavors. We have artisans willing to teach classes including watercolors, music, photography, ceramics, basic wilderness skills, and much more. And thanks to Regan and Russ' generosity, we have funds to work with.

We know there are plenty of talented Revelkids out there just plotting to become members of the KIDZ GUILD. If you are tired of listening to boring White Cup tales about how they had to hike up hill, both ways, in the snow, just to get to the barn. Then get ready to tell longwinded tales of how you were there at the beginning and are a charter member of the Revelwood KIDZ GUILD.

If you are or know an interested child (anyone under 18), please call D @ (609) 268-3884 between 10am & 2 pm weekdays or fri & sat nights.

PENNSIC XXX
AUG 11 - 19 2001

It's that time of year to start planning vacations again, so we've decided to help everyone out and include a copy of the Pennsic pre-registration form in this RAG Sheet. Fill it out. Send it in. Simple, right? As long as enough people do this, we'll be able to get our camping site. It's also handy to have a head count before hand to make provisions.

This is the 30th annual Pennsic. It should be a blast, so if you were just thinking of going... stop thinking and send in your registration!

WANTED : WAR LORD

We're still searching for a War Lord to take care of various camp tasks and to insure the smooth running and safety of the camp. Including securing our land at land grab, seeing to the set-up of the common area, cleaning up the camping area before the tents go up, keeping the torches filled and lit, along with other highly necessary duties. Of course, he/she won't be alone; we all help, you'll be in charge.

Oh yea, did I mention there will be a budget provided by the RAG from the proceeds of last years H.I.S. CD.? So you can buy whatever we need: fuel, bottled water, shower supplies, pizza & beer...the essentials.
